From Pastor's Desk:

- Invitation to the Gospel of Luke

We are now in the season of Lent — a sacred time for Christians to reorient our lives to the way of Jesus Christ by adding meaningful spiritual practices to our daily routine. If you have not yet begun a new practice to deepen your relationship with God, that is perfectly okay. Lent has just begun and now is a wonderful time to start. Perhaps the very moment you are reading this is God's gentle invitation to pause and consider what might nourish your spirit in this season.

There are many holy habits you might practice during Lent. Above all, however, I encourage every member of our church to return to the most foundational spiritual discipline: reading Scripture.

Among the 66 books of the Bible, one of the best places to begin is with the four Gospels—Matthew, Mark, Luke, and John. The Gospels speak directly about the foundation of our faith: Jesus Christ—his birth, teachings, ministry, death, and resurrection. They guide us to reflect on the way of Jesus and the way of God's Kingdom, which shape the direction of our lives as believers. During this Lenten season, I would like to invite everyone to read the Gospel of Luke in particular. There are many wonderful reasons to choose Luke, but let me share three.

First, the Gospel of Luke is well organized and easy to read. It begins with these words: "I too decided... to write an orderly account for you, most excellent Theophilus." The author carefully researched eyewitness accounts and gathered stories about Jesus, organizing them into a clear and thoughtful narrative. As a result, Luke is written in plain and accessible language, making it easy to follow. Many beloved and familiar stories—such as the Christmas narrative, the Good Samaritan, and the Prodigal Son—are found in this Gospel. Yet while Luke may feel familiar and approachable, it also challenges us deeply. You can read it easily, but it will read you deeply, drawing you closer to the heart of God.

Second, Luke holds together inner spirituality and outward mission. In today's world, churches sometimes lean toward one of two extremes: focusing primarily on personal spiritual experience or concentrating mainly on social transformation. A healthy church holds both together—passionate worship of God and active participation in God's mission in the world. Luke emphasizes prayer, worship, and the work of the Holy Spirit more than any other Gospel. At the same time, it reveals God's deep concern for the poor, the outsider, and the sinner, portraying God's Kingdom as a great reversal of worldly values. Through Luke, we are invited into a balanced discipleship that engages both heart and hands.

Finally, Luke has a sequel: the Book of Acts. Most biblical scholars agree that the same author wrote both Luke and Acts, based on shared writing style, vocabulary, theology, and early church tradition. After reading the Gospel of Luke, you can naturally continue your journey into Acts, where the story of Jesus’ life and ministry flows into the birth and growth of the early church. Together, these two books offer a powerful and continuous narrative of God’s saving work in Christ and through the church.

This Lent, I invite you to open the Gospel of Luke and walk with Jesus day by day. May this journey through Scripture renew your faith, deepen your love for God, and guide you more fully into the life of Christ.

- Lenten Sermon Series and Bible Study Invitation

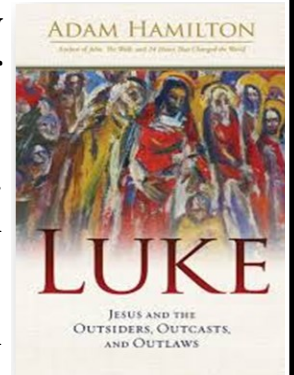

Our new Lenten sermon series on the Gospel of Luke is designed to guide you through this rich and meaningful book by highlighting several of its key themes and characteristics. Reading Luke on your own while also listening to the weekly sermons will help you go deeper into the theology of Luke and discover the truth and hope it offers for our lives today.

If you would like to deepen your understanding even further, I invite you to read Luke: Jesus and the Outsiders, Outcasts, and Outlaws by Adam Hamilton. This book presents the central themes of Luke

in a clear and engaging way, connecting the message of the Gospel to our daily lives. Copies are available for purchase in the church narthex or church office for \$14. This book also serves as the primary text for our Lenten Bible Study.

Our Lenten Bible Study began in mid-February, but it is not too late to join. You are welcome to participate whenever you are able. Please refer to the Lenten Bible Study schedule below and feel free to join us at any time.

May this Lenten season be a time of spiritual renewal and deeper faith for all members of our church.

- Palm Sunday: Friends Sunday

To celebrate Jesus' triumphant entry into Jerusalem and the beginning of Holy Week, we will hold a special Palm Sunday worship service on **March 29**. The service will begin with a joyful procession led by our Sunday school children and youth, who will wave palms and sing as we remember Jesus' entry into the holy city. During worship, we will reflect on Jesus' journey toward the cross by reading Scripture and singing hymns that help us remember his love and sacrifice. This sacred time invites us to prepare our hearts as we enter Holy Week together.

Following the service, our **youth** will host their **annual pancake breakfast** as a fundraiser for their upcoming mission trip. Everyone is warmly invited to stay, enjoy fellowship, and support our youth.

This Palm Sunday will also be **Friends Sunday**, a special opportunity to invite family members and friends to worship with us—especially those who may not have a church home or who are not yet active in faith. Please consider inviting them in advance using the Friends Sunday invitation cards or church pamphlets, which will be available in the church narthex.

Small Group Ministry Update:

Trillium Year Underway

Trillium, a small group with the theme of God and Nature, completed two recent outings. The first was to **the Ice Age Trail Visitor Center** near Dundee in late January. As a follow up to that, the group learned about mammoths at its inside meeting February 11, when everyone got a chance to hold and inspect a >4000 year old segment of mastodon tusk. The second outing, on a balmy Valentine's Day, was to an event at **Marsh Haven Nature Center**, adjacent to Horicon Marsh. Attendees took in the exhibits and viewed numerous live birds, including a "talking" starling. In March the focus is on gems and minerals, with a visit planned to gem and glass museums in Neenah. **The next inside meeting is March 11 at 1 p.m.** in Fellowship Hall, outing date TBD.

Small Group Ministry Update (continued):

Food and Fellowship

Our little group got together on February 3 for a delicious baked potato bar with salad and a fabulous dessert. I was going to take a photo but we were short a few friends so I will again next time. I have heard that there may be interest in starting another group. Please let me know. I would like to help you get started. Our **next dinner** is **March 10th** and the menu is breakfast for dinner. This group has allowed us to get to know one another better and support each other through our faith.

Young Couples' Night Out Report

The Young Couples enjoyed a fun and meaningful time connecting with one another while bowling and sharing dinner together. It was a wonderful opportunity to strengthen friendships and build community.

A special thank-you to **Mona, Diane, Donna, and Julie** for lovingly caring for the children while we were out. Without your generous volunteer support, this time of fellowship and connection would not have been possible. Thank you also to **Blake** for coordinating such an enjoyable evening!

We look forward to our next Young Couples' Night, which will be held in April or May. Stay tuned for more details!

Family Sunday Tubing Fun! *(Continued on next page)*

"A great day of fellowship in the snow at Family Fun Sunday"

Sunday School News

On February 1st, the Sunday School class with the Covenant Youth Group drove to Sunburst in Kewaskum to go **snow tubing** together. This was a fun-filled afternoon for the approximately 13 kids and 11 adults who attended. The group was lucky to have a beautiful day for this Family Fun Sunday event. Thank you to our church for supporting this so families did not have to pay the full price!

Our **next Family Fun Sunday** is being planned for **May 3rd** with an outing to Appleton to a **Trampoline Park**. Hope more can join us that day! Look for a sign-up on the narthex table at the end of March.

Our **March Sunday school lessons** include learning more about Jesus and the stories leading up to Easter. This includes when Jesus washed his friends' feet, Jesus teaches us how to pray, the story of the Good Samaritan and Jesus rides into Jerusalem on a donkey. As your child brings you their craft or handout after attending Sunday school, ask them to share what they learned. It will help to reinforce the importance of these stories.

Plans are also being made for **Graduation Sunday service on May 31** that will include our Sunday school children and youth. We are also making plans for a **1-day Vacation Bible School (VBS) on August 1 from 9:00 AM – 3:00 PM**

Youth Group News

It is time for our **annual Pancake Breakfast** on **Palm Sunday, March 29th**. We will have pancakes, egg bake, sausage, muffins, etc. Huge thanks to Mona for organizing this every year. The proceeds will go toward the Youth Mission Trip that will be in Wisconsin this year. Pastor Ho Lee and Pastor Changki Kim from Oconomowoc are still working out the details.

The Youth Group will be participating in a very special skit on **Good Friday** (pray for a cloudy day). You won't want to miss this. Jeff and I are really proud of the work the youth are doing in the church.

Church Council

The Church Council convened on January 26 at 6:30 p.m. Please find the discussion highlights below.

- **Generosity and Missions:** The council discussed concerns regarding mission projects utilizing general funds. While there was a suggestion to reduce mission giving or reallocate loose offerings, the council ultimately decided to maintain current mission support to uphold the church's commitment to its mission work.
- **Computer Upgrades:** The council approved a budget of up to \$5,000 from Memorial funds to replace two office computers, the sanctuary computer, and the livestreaming laptop. We will seek three estimates for this project.
- **New Member T-Shirts:** We discussed providing t-shirts to new members to foster inclusion. Due to concerns regarding inventory and sizing, we will explore options for ordering shirts as new members join.
- **Pastoral Concerns:** Pastor Ho Lee expressed concerns regarding ICE activities in Wisconsin affecting pastors and their families. Diane will share a relevant article from the Wisconsin Annual Conference on this matter during our next meeting.

The **next meeting** is scheduled for **February 23 at 6:30 p.m.**

Thomas Retzleff, Church Council Chair

Missions

I want to start this article by thanking you for your generosity. In 2025, we donated \$23,167.66 to our Mission Project. This incredible amount doesn't even include all that the UMM and UWF donated to missions through our fundraisers that you support. I could not be prouder of this congregation.

Our loose offering on March 1st and 8th will go to The **St. Katharine Drexel Shelter**. In partnership with St. Vincent de Paul and Solutions Center Shelter & Support Services, St. Katharine's is dedicated to providing safety, support, and resources to individuals and families experiencing homelessness and domestic violence. Through emergency shelter, outreach, advocacy, and empowerment programs, they work to foster stability, self-sufficiency, and hope for a better future. We will continue to **collect hygiene items and cleaning supplies** for ADVOCAP's Help for the Homeless **through March 15th**. We appreciate any items you can bring. Some of these items will go to the Drexel Shelter.

Our loose offering for **March 15th** and **22nd** will go to **Midwest Missions** (formerly known as The Midwest Distribution Center). They are a logistical conduit for Christ's ministry. They receive a request from trusted nonprofits, then prepare items they have and ask their supporters for items they need. Volunteers process, revitalize, and assemble the donated items. Then, donations are shipped to their trusted partners to distribute to those in crisis.

On **March 29th (Palm Sunday)** and **April 2nd** and **3rd (Maundy Thursday and Good Friday)** our loose offering will go to pay for our **Apportionments**. The first step in appreciating Apportionments and the ministry they make possible is a fundamental attitude adjustment. Apportionments are not a “church tax,” nor are they a form of “membership dues” or a “disciplinary obligation.” They are a gift and an opportunity. Each dollar given to fund the apportionments of The United Methodist Church undergoes the miracle of the loaves and fishes – they multiply to serve and satisfy those who hunger and are in need around the world. Apportionments are an investment in building the realm of God and spreading the good news of Jesus Christ. Lives are changed, faith is shared, and hope is raised. By our giving, we participate in the saving of lives as well as souls.

We also gave out information about understanding hypertension and ways to manage it. Fellowship Hour featured Heart healthy snacks!

UWF: United Women in Faith:

Diane shared an inspiring lesson "How is it with your soul?" which was followed by a good discussion with all participating. We shared upcoming dates and events including Lent. We voted to give \$100 to Bob & Judy Balson for their trip to Bahamas. Plans for Mother-Other Banquet in May have begun. We have a theme and many other ideas were suggested.

Next meeting is March 4.

Warming Shelter Meal

Four members of Sara Circle – **Donna M, Jean G, Harriet B, Cathy M** and **Pastor Martinez** from Salem UMC – served a meal at the Warming Shelter on January 27. Our menu consisted of John Marzetti, garlic bread (from the UMM), salad and cupcakes. The group also got a tour of the facility and were very impressed. I've never heard of John Marzetti, but I was told it was a staple of the Fond du Lac schools lunches. I learn something new every day.

United Methodist Men (UMM)

The men's group would like to thank all those who have continued to support our banana project for our designated schools and any other support you might be able to help with. We will be considering future projects and suggestions are welcome.

Trustees

Your Covenant Trustees are currently working on upgrading our office **computer system**. We are still using Windows 10 which is outdated and no longer supported by Windows and we have had numerous issues with our sound and livestream system which is directed from the main office computer. Church Council has approved \$5000 for this upgrade. We will keep you informed of our progress. Another area being considered is fans for **the sanctuary** to help with **saving heat and cool air**. We have found that the ceiling area above the altar going up to the bell tower has never been enclosed. Therefore, we are losing a lot of heat in winter and cool air in summer. This will also be addressed at the same time. This project should save considerable money on our heating bill of which we have seen savings with our windows and doors project 3 years ago. Any questions/suggestions, please contact any one of your Trustees.

Forward with God's love, **Bill Averbeck, Trustee Chair**

Game Night

The sun is out longer and the temperature is rising so it is time to come out of hibernation. At our last game day we found our inner artist and had some delicious cupcakes. Our next event will be on Thursday, February 19 at 6:00. I hope you will put this on your calendar and come have some fun and hang out with friends.
